# Anaconda 70ft Traditional Stern £95,000

## **Description**

Anaconda is a truly exceptional craft not least with her being all electric 24v.

Anaconda is a bespoke built 70ft Traditional narrowboat with a Boatman's cabin. She was built to the owner's design and she was featured in Canal Boat magazine.

Alexander Boats built Anaconda and Fernwood Craft and Design fitted her out in 2010. Anaconda was launched in 2011. The beta 50 hp engine is situated in the offset engine room along with the batteries, Cummins generator and the electric controls.

Flooring is reclaimed pine, hull sides below gunwhale are painted wooden tongue & groove and the hull sides above gunwhale are painted wooden panels.
